Message from the Management Desk

Enterprises worldwide face a business environment presenting unprecedented challenges. Resource constraint has become a reality even in advanced economies. Market conditions are complex, fast paced and fluid. In these circumstances, only a cutting-edge training to the young minds will be the key to success to them and their employers. The LNCT Group continues to transform itself as per the emerging needs of the global economy and we can proudly claim that the students trained at our colleges are successfully establishing themselves at the respective fields of their profession.

I hope that our march towards excellence continues with the same enthusiasm and wisdom. Best wishes!

Hon'ble Jai Narain Chouksey
Founder & Chairman, LNCT Group
Chancellor, LNCT University

JNCT has been recognized for imparting finest technical education. We have been developing a distinctive brand of up to the mark education to students and equipping them to address critical challenges faced by the industry & society.

Our strength lies in the core values on which the LNCT Group stands and each day we resurrect these values into the heart and mind of every student. It is in this spirit that the latest issue of "Voice of JNCT" is being presented to highlight the major academic and non-academic activities conducted during last academic year in the campus.

I congratulate the entire Team for their efforts.

My best wishes and blessings!

Hon'ble Poonam Chouksey
Vice Chairperson, LNCT Group
Chairperson, JNCT Bhopal
Chancellor, LNCT Vidyapeeth University, Indore

LNCT Group has been in the forefront of imparting quality education in the fields of engineering, medical and business management through an interactive approach and building a strong foundation in all aspects keeping in mind the Indian culture and traditions. The objective at JNCT, is to follow all the inherit majors of LNCT Group which includes development of overall Personality of students to take on Challenges of present day competitive world.

I wish all the best for the newly founded students.

Hon'ble Dr. Anupam Chouksey
Secretary, LNCT Group
Pro-Chancellor, LNCT University, Bhopal
Chancellor, JNCT Professional University, Bhopal

I am really exuberant to welcome you all as a part of the JNCT family. I believe that you would pursue your dream to become a great leader in the field of your choice. You will showcase the hard work, dedication and obedience during your journey with us. Such dedication is needed to be self disciplined and move ahead in the life. It will also help us grow with you. Your willingness to take every challenge is admirable to me.

All the best!

Hon'ble Dr. Shweta Chouksey
Executive Director, LNCT Group
Pro-Chancellor, LNCT Vidyapeeth University, Indore

It given me an immense pleasure to extent my heartiest Welcome to all the new admitted students and their parents to be part of JNCT family .The emphasis of the education at JNCT, is not only to train the students to become excellent technologist but also help and support them to become better human being by allround development.

I expect that all students of JNCT would use this opportunity to realize their full potential.

With Best Wishes

Hon'ble Poojashree Chouksey
Director, LNCT Group
Secretary, JNCT Bhopal

Come and experience this exciting journey with us at **JAI NARAYAN COLLEGE OF NURSING**.

Dr. Monika David
Principal
Jai Narayan College of Nursing, Bhopal

ABOUT US

JAI NARAYAN COLLEGE OF NURSING is located IN NEW CHOUKSEY NAGAR BERASIA ROAD LAMBAKHEDA Bhopal. JAI NARAYAN COLLEGE OF NURSING strives to impart best Quality of Nursing Education to students from India and abroad and in turn provide the society with improved quality of health care .we have adopt credit system and semester system as per the Authority Guidelines with minor modification suitable to professional education in a hybrid form. The B.sc. Nursing program is a four year fulfill program comprising Eight Semester. The Health needs of India range from basic needs of food, water, sanitation and shelter to the latest and sophisticated medical & nursing care at intermediate and tertiary level hospitals. Nurses are needed at each level of health care and universal nursing education program or training equips a nurse to shoulder the responsibilities effectively. In turn, the community's health needs are helped to be met.

A graduate nurse qualified as B. Sc (N),Post Basic nursing OR G n m nursing AT JAI NARAYAN COLLEGE OF NURSING, who has been prepared as a professional nurse through University affiliated nursing education program & recognized by Indian Nursing Council, will work independently in the hospital & community as a member of healthcare system. In addition to meet the changing health and nursing demands of the country, the college in its modest way would help to meet the tremendous nursing shortage in the country. The level of education, the depth of curriculum, and the exceptional practical experience at JAI NARAYAN COLLEGE OF NURSING would add to the standard of healthcare wherever a JAI NARAYAN NURSING graduate would practice.

AIM

JAI NARAYAN COLLEGE OF NURSING will assume responsibilities to prepare a professionally competent.

Produce knowledge as competent nurse and midwives with clear critical thinking.

nurse and midwife at basic level in providing promotive , preventive, restorative services, where nurses will be capable of making independent decisions to prepare & protect the right of clients, to facilitate individuals & groups in pursuit of their health and to function in the hospital and in the community by performing role as teacher, manager, supervisor and researchers.

We prepare our students to assume the role of practitioner , teacher, supervisor and manager in all health care settings.

MISSION

Maintain the institution as a 'Center of Excellence' in nursing education through continuous development and prepare expert nursing professionals to serve in the field of Nursing Service, Education and Administration and to practice evidence based nursing.

To pioneer the institute as a "center par excellence" in nursing area through persistent pursuit of academic up gradation & skilled advancement in all aspects of nursing.

VISION

Prepare innovative, expert and compassionate nursing professionals for serving humanity through standard and quality nursing education.

To empower the aspirants with deep insight into humanity through state of the art education and training for the noble profession of nursing

OBJECTIVES

- The objectives of JAI NARAYAN COLLEGE OF NURSING are to -
- To create inductive environment that reflects the nursing philosophy.
- To establish nursing nurturing via utilize the latest knowledge and skills related to information and technology to enhance patient outcomes.
- To reinstate the nobility of the profession by imparting dignified and committed teaching.
- To generate knowledge and expertise base that is most sought after in the state.
- To impart innovative education with dynamics of interdisciplinary and interprofessional alliances in healthcare, Clinical research, public health and so on.
- To be a core player in the area of health policy development of the sector to bring about awareness and collaboration.
- Leverage best practice in technology to enhance education and patient care.
- Enhance world class college structure and process to grow and fortify a vibrant and dynamic learning experience.
- Engage in lifelong learning and professional development of self and others.
- To create and cultivate dedicated professionals who are committed to dignity and development of mankind.
- Utilize critical thinking of synthesized knowledge derived from physical, biological, behavioural science, and humanities.
- Respect the dignity, worth, and uniqueness of self and others.
- To participate in the advancement of the profession to improve health care for the betterment of the global society.
- To provide promotive, preventive and restorative health services in line with national health policies and programs.
- To integrate research findings and nursing theory in decision making in evidence -based practice.

PHILOSOPHY

- Health and wellness are two fundamental concepts that are integrated throughout the program.
- Nursing is an integral and unique part of health care delivery system and shares equal responsibility with other health care professionals for the attainment of optimal health of the society.
- Nursing education is a formal education leading to Diploma/Degree in nursing. It provides theoretical and practical knowledge and enables the qualified nurses to render standard nursing care to the people in need, in any of health care service set-up.
- Patient satisfaction is the ultimate goal which is to be achieved through standard comprehensive need based care with holistic approach.
- Nursing graduates will be equipped with latest research based knowledge and are creative, self-directed and socially motivated to efficiently deal with day-to-day problems and act as an agent of social change.
- The qualified nurses of this institution assume leadership positions in the field of nursing service, education and administration, and perform their duties to the highest standard.
- The graduates of this institution will function in a wide variety of professional settings as Nurse Specialists, Nurse Practitioners, Nurse Consultants, Educationists, Administrators and Researchers to meet the changing needs of the society.
- The qualified nurses of this institution will conduct research in nursing and implement the result for improving the quality and standard of nursing care.
